

**19 Jul 2015**  
**10pt 4way**  
**Ritzville, WA**  
**POPS and SOS World, National &**  
**Washington State FS Sequential Record**  
**at West Plains Skydiving**

Participants were: Emmett Florea, Ted Idlof, Pat Arthur, and Bob Kirtland.

Camera: David Phillips.

Organizer Emmett Florea's description of the jump: "We were successful in our SOS 4 way attempt at West Plains Skydiving in Washington state. On July 19th Ted Idlof SOS 1998, Pat Arthur SOS 1549, Bob Kirtland SOS 1993 and myself Emmett Florea SOS 1513 set 3 records on one jump. When I was looking over the POPS record I noticed that there weren't any 4 way records so that was what we wanted to do. On one jump we set a record for Washington state, national and world. We hadn't blew an exit all day and wouldn't you know that's the jump we funneled but got back together and turned 10 points. The thing that makes this jump remarkable is all points have at least one pair turn and some have two with changing partners on every point, not so easy but that's what we wanted."
