Registration fee is \$3.00 for both events. Trophies to be awarded after all participants have completed all jumps, or 4:00 PM, Sunday.

Wind date, 5th and 6th August. All jumping will be suspended if winds exceed 15 mph.

All lifts to be pre-manifested and paid for at manifest time. \$3.15 for 3500 feet.

Judges services to be performed by Pops who have completed or are waiting for lifts or other volunteers. Bring the women; they'll enjoy helping out.

Total cost: 4 jumps @ \$3.15 = \$12.60 plus \$3.00 registration fee = \$15.60.

Commemorative trophies will be available at cost. Samples and prices to be displayed at Registration desk.

Registration open from 7:00 AM to 10:00 AM, Saturday only. Competition starts as soon as possible. No registration after 10:00 AM.

Keep in mind that this is a fun meet only. Some of our bones are brittle, so don't take anything too seriously. There will be goof-ups and honest mistakes during the meet - don't take it personally. Since we're not experts at judging, or running meets, 2 Pops will be appointed Chief Judges to settle all questions.

After payment of trophy costs and other expenses, surplus registration fees will be used to purchase beer for the survivors.

Re-jumps only account valid malfunctions and/or reserve activation. No scores marked over 50 feet out.

If additional information is required, contact Len Zak, POPS #460 at 213-646-7103, 9:00 AM to 3:00 PM, Monday through Friday.

HOPE TO SEE YOU!
