

GEORGE BUSH

July 24, 2008

Dear Tom, a/k/a "Top Joe,"

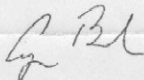

For some reason, your March 5th correspondence was "waylaid" and has just surfaced. My apologies.

First, it was great hearing from you again. Of course, I remember well that jump on my 75th; and I would love to be able to jump even half as often as you do. My last jump was in November, and I still hope to do it again on my 85th birthday next June.

I appreciate your making me a member of Jumpers Over Eighty Society. The badge and decal are classic!

Thanks so much for writing. Please pass along my best wishes to all my fellow JOES.

Sincerely,

A handwritten signature in dark ink, appearing to read "G. Bush". The signature is written in a cursive, somewhat stylized hand.
